Indianapolis

A Course in Improvement of All Relationships

Taught by Friar Justin Belitz, OFM
Sat. & Sun., Nov. 12-13, 2022 9 AM - 6 PM

This workshop can help you understand how you relate to others and life situations, give you seven basic principles you can use to develop wholesome and satisfying relationships, and offer you exercises to put these principles to work in your daily life.

In this workshop, you can learn:

- To see beauty in everyone and everything
- To use pain and difficulty as opportunities for growth
- To be a joyful giver and gracious receiver
- To create your own reality
- To use ALL life experiences for good
- To change yourself
- To take control of your own life

Dear Friend:

No doubt our society has made it easy for all of us to be negative about ourselves, our life situations, and even those we love. However, we do have the gift of free choice and we can “be different.” We can make our world a better place by creating peace in our own minds and hearts.

My goal in presenting **Success: Full Relating** is to help you become aware of your potential to be a peaceful person and to give that peace to all who touch your life.

Sincerely and with much love,
