

Silva Intuition System

A Graduate Meditation Program

Taught by Friar Justin Belitz, OFM

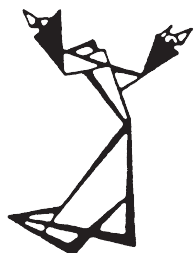

Friar Justin Belitz, OFM

Friday, Aug. 18, 7-9 PM * Saturday, Aug. 19, 10 AM-6 PM * Sun., Aug. 20, 10 AM-6 PM

The Silva Intuition System will help you use the God Presence within to consciously connect with all of creation: inanimate matter, plant life, animal life, and human life. You will be taught how to gather information to clarify personal goals, heal yourself and others, build successful relationships, attract what you need in every area of your life, and much more.

The Silva Intuition System is the second part of The Basic Lecture Series (BLS), which is now divided into two parts: The Silva Life System and the Silva Intuition System. **This second part can only be taken by those who have completed the first part, the Silva Life System (SLS).** Participants must know how to enter level and be familiar with the techniques taught in the BLS and the SLS. This revised program has additions that include psychometry, the mental video technique, the theory and practice of remote viewing, and more.

New Students must register by Tuesday, Aug. 8th to give us time to order your Manual, Certificate and ID card from Laredo, TX. A \$100 deposit is required with your registration, and you may pay the remaining balance the morning of the class. **Graduates** of the Silva Intuition System may retake the class for a donation of \$40. You must provide your ID number and year you graduated.
